

Foundation Transition

Nambrok Denison Primary School

The pathway from Preschool to Foundation (Prep) 2024

At Nambrok-Denison Primary School we place a strong importance on ensuring our children feel happy, safe, and excited about school. Our Foundation Transition Program is a great opportunity for students to learn about our school and begin settling in, ready for 2024!

Our Foundation Transition program will:

- Assist pre-schoolers in making a successful transition to the school environment.
- Provide opportunities for children to participate in classroom activities.
- Provide opportunities for children to practise skills necessary for school.
- Encourage new friends.
- Provide information and support for parents.

Transition Sessions in Term 4, 2023

Students will come in and participate in some special transition activities. You are welcome to take the time to settle your child into the class before allowing them to enjoy and participate in the session independently. We encourage all new students to come along to each of the sessions. If you have any questions regarding transition sessions, please contact the office on 5149 2410.
