Dear Parents/Caregivers,

PARENT PAYMENT ARRANGEMENTS 2025

We are looking forward to another great year of teaching and learning and would like to advise you of Nambrok Denison Primary School's parent payment arrangements for 2025.

Please find attached the voluntary financial contributions for Foundation – Grade 6. Schools provide students with free instruction to fulfil the standard Victorian Curriculum, however the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer. Nambrok Denison Primary School makes every effort to keep the costs of items and activities to a minimum.

Financial Support for Families

Nambrok Denison Primary School understands that some families may experience financial difficulty and offers a range of support options, including:

- Camps, Sports and Excursions Fund
- State Schools Relief
- Centrepay and individual payment arrangements

Extra-Curricular Items and Activities

Nambrok Denison Primary School offers activities through the year that enhance or broaden the schooling experience of students and are above and beyond what the school provides in order to deliver the Curriculum. These activities are designed to broaden the school experience for your child and involve a minimal charge for your child to participate. These are provided on a user-pays basis.
